

Shine YOUR Light in the Darkness!!

COME & PRAY ON MONDAY DECEMBER 10TH · 8-10AM GERMANTOWN, MD

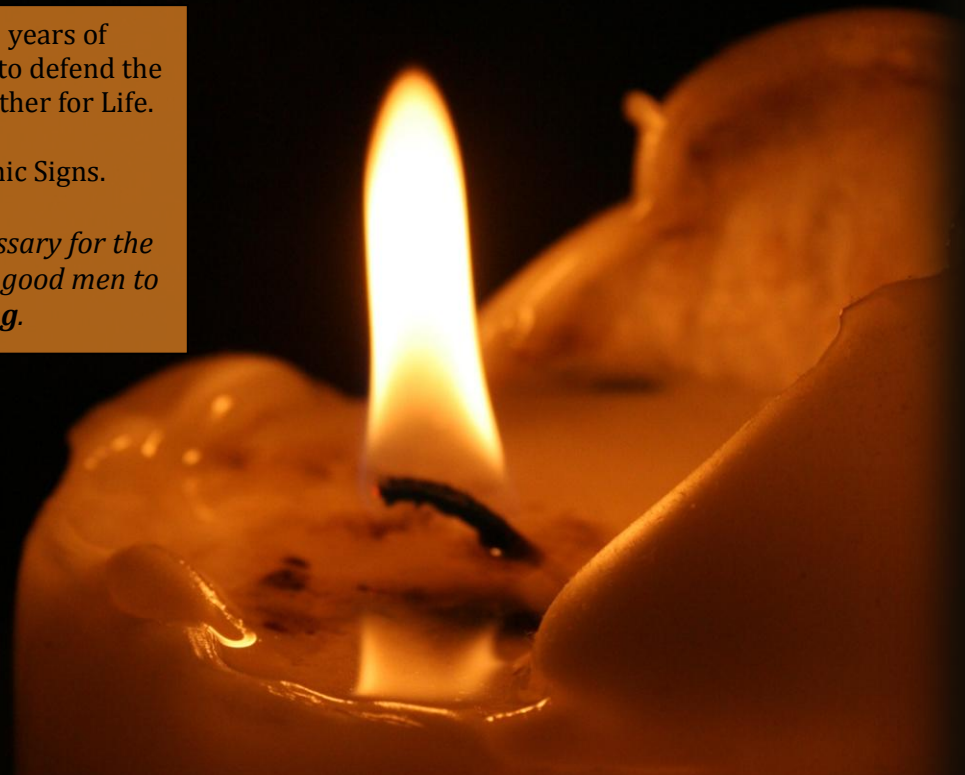

Two years ago, LeRoy Carhart opened the doors of his late-term abortion clinic in Germantown, and Maryland immediately became the late-term abortion capital of the U.S. There has been an ongoing Prayerful Vigil over these 2 years as the Body of Christ has gathered to PRAY on the sidewalk **every week**, and over **70** babies have been saved from abortion and countless lives have been transformed!

Let's Keep the Grace Flowing - Come and Pray With Us!

Join us to mark 2 years of obedience to the call to defend the unborn & stand together for Life.

Please, NO Graphic Signs.

*The **only** thing necessary for the triumph of evil is for good men to do **nothing**.*
